

DISCLAIMER

This website is owned and operated by Cielo Waste Solutions Corp. (“Cielo”, “we”, “us” or the “Company”). The materials on this website are provided as a convenience and may be used for informational purposes only.

By using this website, you acknowledge and agree to the terms and conditions below, otherwise this website must not be used nor any materials downloaded from it. If you do not agree to all of these terms of use, please stop using this website immediately.

No securities regulatory authority, the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) have reviewed the information on this website and none of the foregoing accepts responsibility for the adequacy or accuracy of materials on this website.

The Company’s public disclosure filings may be accessed via www.sedar.com. While we make efforts to ensure the timeliness and accuracy of the material presented on this website, users are advised to use materials filed with SEDAR for the most accurate and up to date information. Information on this website, including material information, may have been modified, superseded, replaced or supplemented by more current information disclosed in press releases or in statutory public filings made with securities regulatory authorities. We do not make representations as to the completeness, truthfulness or accuracy of the information contained on this website and we do not warrant or represent, and you should not assume, that the content on our website includes all material information pertaining to our Company or that such content represents the most current and up-to-date material information that is publicly available with respect to our Company.

EXCLUSION OF LIABILITY

The information and materials available on this website are not intended to provide specific legal, accounting, financial, investing or tax advice to

any user, and any decisions you make based on information contained in this website are your sole responsibility. The documents and information available on this website are provided as a convenience only.

No warranty, either express or implied, is given for the information and opinions published on our website. The Company shall not be liable for any claims, expenses, damages (including direct, indirect, special, incidental, punitive or consequential damages), loss of profits, opportunities or information arising from:

- the use of or reliance on information contained in this website;
- any inaccuracy or omission in such information or failure to keep the information current;
- use of any third party websites linked to this website;
- any Internet software used in connection with this website or computer viruses or other destructive programs encountered as a result of using this website;
- any delays, inaccuracies or errors in, or in the transmission of, any stock price quotes or historical price data; and
- any other matter connected with this website; even if Cielo is made aware of the possibility of such claims, expenses, damages or losses.

If you use our website, you do so at your own risk.

FORWARD-LOOKING INFORMATION

Some of the statements on this website may be or may be deemed to be “forward-looking statements”. All statements on this website, other than statements of historical facts, that address events or developments that management of the Company expects, are forward-looking statements. Such forward-looking statements are sometimes identified by words such as "anticipate", "achieve", "could", "believe", "plan", "intend", "objective", "continuous", "ongoing", "estimate", "outlook", "expect", "may", "will", "project", "should" or similar words, including negatives thereof, suggesting future outcomes.

Forward-looking statements are subject to both known and unknown risks, uncertainties and other factors, many of which are beyond the control of the Company, that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward looking statements. CIELO is making forward looking statements, with respect to, but not limited to: in general, production forecast including project timelines, corporate goals and objectives associated with the Aldersyde Facility and the R&D Facility; anticipated projects and the results therefrom including production of distillate and waste derived fuel at both the Aldersyde Facility and for the R&D Facility; the objectives of the Aldersyde Facility and the purpose(s) to be served by the Aldersyde Facility; the timeline for certain milestones for the Aldersyde Facility, leading up to commissioning and start-up in March or April 2022; the generation of revenue at the Aldersyde Facility; the anticipated benefits realized at the Aldersyde Facility following the completion of the Aldersyde Project milestones; forecasted range of volumes of distillate that may be produced at the Aldersyde Facility during 2022 and 2023, including the activities during each identified period affecting such volumes; the future ability to increase efficiency by minimizing down-time and maintenance at the Aldersyde Facility based on data to be obtained from the R&D Facility; details of, and activities in connection with, the third phase of enhancements following completion of the Aldersyde Project; the intended completion of engineering feasibility studies and the substance thereof, including the design of a distillate fractionation system and its effects and the design of a UMO pre-treating and pre-conditioning system and the effects and benefits thereof, including the potential for additional revenues streams; additional purposes of the Aldersyde Facility and the effects thereof, including returns generated with respect to future facilities; the use for the Company's site in Fort Saskatchewan, including for the construction of the R&D Facility and for the future construction of a fullscale facility; the objectives associated with the R&D Facility; the design and construction of an additional full-scale facility(s) at Fort Saskatchewan or other locations; potential capacity for Cielo's future full-scale facilities; the anticipated data and related benefits from the R&D Facility and the use

of such data; the ability to complete anticipated milestones and enhancements at the Aldersyde Facility and at the Fort Saskatchewan location; further research with plastics, railway ties and other waste; the anticipated timeline and milestones for the construction and commissioning of the R&D Facility; the intended outcomes to be realized from and following the commissioning of the R&D Facility; experimentation, testing and analysis to follow process testing of the R&D Facility and details of the related activities, and the subsequent commencement of utilizing other waste materials; plans related to the design of a full-scale facility in Fort Saskatchewan following testing and analysis at the R&D Facility and subsequent construction and the timing thereof; operational updates to be provided by the Company in the future generally and with respect to its facilities at Aldersyde and Fort Saskatchewan and the timing and content thereof. Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended.

Forward-looking statements are not a guarantee of future performance and involve a number of risks and uncertainties, some of which are described herein. Such forward-looking statements necessarily involve known and unknown risks and uncertainties, which may cause the Company's actual performance and results to differ materially from any projections of future performance or results expressed or implied by such forward-looking statements. Any forward-looking statements are made as of the date hereof and, except as required by law, neither the Company assumes no obligation to publicly update or revise such statements to reflect new information, subsequent or otherwise. Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange), nor OTCQB nor WKN, have reviewed, and do not accept responsibility for the adequacy or accuracy of, the content of this News Release.

NO ADVICE OR OFFER OF SECURITIES

None of the statements or other content on our website, including investor relations materials nor our public filings with securities regulatory authorities constitutes a solicitation, an offer or a recommendation to buy or sell securities, or to conduct other transactions and in no way should be construed or interpreted as such. None of the statements or other content on our website, including investor relations materials and our public filings with securities regulatory authorities, constitutes investment advice.

No securities commission or other regulatory or any stock exchange (including the TSX Venture Exchange) on which the Company's securities are listed for trading has in any way passed upon this information and no representation or warranty is made by the Company to that effect. The information on this website is not intended to modify, qualify, supplement, or amend information disclosed under corporate and securities legislation of any jurisdiction applicable to the Company and should not be used for the purpose of making investment decisions concerning the Company's securities.

There are no guarantees about the future performance of the stock market or our stock.

THIRD PARTY CONTENT

From time to time, our website may include links to other websites maintained by third parties. The links to third party websites are provided for your convenience and information only. The content in any linked website is not under our control and we are not responsible for the content, including any further links in a third party site. INTERNET SOFTWARE AND COMPUTER VIRUSES

Due to technical difficulties inherent in the use of the Internet, Internet software or transmission problems could produce inaccurate or incomplete copies of information contained on this website. Computer viruses or other destructive programs may also be inadvertently downloaded from the website. The Company shall not be liable for Internet software, computer viruses or destructive programs.

ALBERTA LAW GOVERNS USE OF THIS WEBSITE

Your use of this website and downloads from it, and the operation of these terms and conditions, shall be governed in accordance with the laws of Alberta, Canada. The courts of Alberta shall have exclusive jurisdiction over any dispute arising out of your use of this website. In the event that any or any part of the terms contained in these terms and

conditions shall be determined by any competent authority to be invalid, unlawful or unenforceable to any extent, such term shall, to that extent, be severed from the remaining terms which shall continue to be valid and enforceable to the full extent permitted by law.
