

Website Disclaimer

The information presented on this website (this “Site”) reflects the current plans, assessments, and aspirations of Cielo Waste Solutions Corp. (“Cielo”, “we”, “us”, or “our”) as of the date of publication. Cielo is in the development stage and does not currently have commercial projects in operation. Any references to renewable natural gas (RNG), hydrogen (H₂), or other low-carbon fuel projects reflect future goals that are subject to permitting, financing, technology selection, and other material risks and uncertainties.

This Site main contain forward-looking statements under applicable laws. Forward-looking statements on this website include, but are not limited to, expectations regarding project development, partnerships, waste stream sourcing, technology applications, government program eligibility, financing, and timelines. These statements are based on management’s current beliefs and assumptions and are not guarantees of future performance. Actual outcomes may differ materially. Readers are cautioned not to place undue reliance on forward-looking statements.

All information and materials on this Site are provided “as is” and “as available,” without any warranties of any kind, express or implied, including but not limited to warranties of merchantability, fitness for a particular purpose, or non-infringement. To the fullest extent permitted by law, Cielo disclaims all liability for any direct, indirect, incidental, special, consequential, or punitive damages arising out of or related to a reader’s access to, use of, or inability to use this Site even if Cielo has been advised of the possibility of such damages.

Nothing contained on this website constitutes an offer to sell or a solicitation to buy securities of Cielo. No information herein should be relied upon as investment advice or as a substitute for independent professional judgment. Cielo’s public filings on SEDAR+ (www.sedarplus.ca) contain the most current and accurate information and should be relied on for any investment-related decisions.

Any references to environmental, social, or economic benefits are based on third-party research and preliminary evaluations of technologies Cielo intends to pursue. Such benefits are forward-looking in nature and subject to the risks described above.

Readers are responsible for evaluating the accuracy, completeness, and usefulness of any information or opinions provided on this Site. Where appropriate, readers should seek professional legal, technical, financial or other advice before acting on any information contained herein.

All content on this Site, including but not limited to text, graphics, logos, icons, images, videos, and software, is owned by Cielo and is protected by Canadian and international copyright, trademark, and other intellectual property laws. Readers may not reproduce,

distribute, modify, publicly display, or otherwise use any materials from the Site without Cielo's prior written consent.

This website may contain links to third-party sites. Cielo does not endorse or assume responsibility for third-party content. All information is provided "as is" without warranty of any kind. Accessing those sites is at the reader's own risk.

This website is governed by the laws of the Province of Alberta, Canada, and the federal laws applicable therein, and any disputes shall be subject to the exclusive jurisdiction of Alberta courts.
