### **ABOUT PROJECT NEXUS**

Project Nexus is Cielo's intended large-scale platform for converting biomass and wood waste into low-carbon transportation fuels such as sustainable aviation fuel. The project represents a key pillar of Cielo's strategy to advance clean-energy solutions while leveraging proven technology and disciplined capital deployment.

### **ABOUT CIELO**

Cielo Waste Solutions Corp. is a publicly traded company focused on transforming waste materials into high-value products. Cielo seeks to address global waste challenges while contributing to the circular economy and reducing carbon emissions. Cielo is fueling environmental change with a mission to be a leader in the wood by-product-to-fuels industry by using environmentally friendly, economically sustainable and market-ready technologies. Cielo is committed to helping society by providing environmental waste solutions, which the Company believes will contribute to generating positive returns for shareholders. Cielo shares are listed on the TSX Venture Exchange under the symbol “CMC,” as well as on the OTCQB under the symbol “CWSFF.”

### **CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This news release contains certain forward-looking statements and forward-looking information (collectively referred to herein as “forward-looking statements”) within the meaning of applicable Canadian securities laws. All statements other than statements of present or historical fact are forward-looking statements. Forward-looking statements are often, but not always, identified by the use of words such as “anticipate”, “achieve”, “could”, “believe”, “plan”, “intend”, “objective”, “continuous”, “ongoing”, “estimate”, “outlook”, “expect”, “may”, “will”, “project”, “should” or similar words, including negatives thereof, suggesting future outcomes.

Forward-looking statements are subject to both known and unknown risks, uncertainties, and other factors, many of which are beyond the control of Cielo, that may cause the actual results, level of activity, performance, or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements. Forward-looking statements and information are based on plans, expectations and estimates of management at the date the information is provided and are subject to certain factors and assumptions. The Company is making forward-looking statements, including but not limited to, with respect to the timing, content and other details of the webinar.

Investors should continue to review and consider information disseminated through news releases and filed by Cielo on SEDAR+. Although the Company has attempted to identify crucial factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended.

Forward-looking statements are not a guarantee of future performance and involve a number of risks and uncertainties, some of which are described herein. Such forward-looking statements necessarily involve known and unknown risks and uncertainties, which may cause Cielo's actual performance and results to differ materially from any projections of future performance or results expressed or implied by such forward-looking statements. Any forward-looking statements are made as of the date hereof and, except as required by law, the Company assumes no obligation to publicly update or revise such statements to reflect new information, subsequent or otherwise.

***Neither the TSX Venture Exchange nor its Regulation Services Provider (as such term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this news release.***
